

# Day 5

Wise and Foolish Builders  
(Matthew 7:24-29)

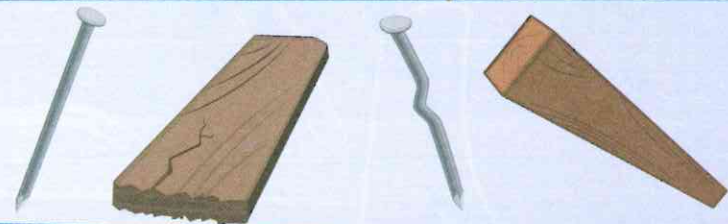

Jesus told a parable about two builders. He said that everyone who heard His words and acted on them would be like the wise man who built his house on the rock. The house had a strong foundation and would stand against the wind and the rain. However, those who did not listen would be like the foolish builder who built his house on the sand. Once the wind and rains came, the house collapsed. If people listen and obey Jesus, they will have a strong foundation for whatever happens in their lives.

## Word of the Day—Life

Jesus loves us so much, we can trust Him with the rest of our lives.

## Building Inspection

Building inspectors have to be sure materials meet code and are safe to use. Circle the items you think would pass inspection and X out those you don't think would pass.

Now, inspect these. Which will help you know more about following Jesus?

## Nail It Down

Jesus' love is the foundation for the rest of my life.
